- Proactive, well organized, attention to detail, energetic, comfortable to handle reporting and do presentations.

ABOUT US

ZODIAC AIRCATERING EQUIPMENT (THAILAND) LTD, located in the Northern Region Industrial Estate of LAMPHUN is a manufacturing company of the SAFRAN Group in Paris, France and has been operating in Lamphun for more than 25 years. SAFRAN Group is a multinational aircraft engine, rocket engine, aerospace-component and defense Company with more than €20bn annual revenues and 91,000 employees in 60 countries.

The ZODIAC AIRCATERING EQUIPMENT business unit in LAMPHUN employs nearly 1,200 people and is the market leader supplying to all airlines in the world a range of non-electrical galley insert products like trolleys, containers, drawers, oven racks, waste bins and skids

The company benefits from a cost effective vertical integration, including our own Extrusion press and Anodizing installation, which gives us the required flexibility to deliver with short lead times any order size the airlines need. Each year we produce around 100,000 trolleys and a similar quantity of galley containers. Last year the 2 Millionth Trolley in our history was manufactured in Lamphun.
